The "Work" of the Utah Commission to Go On.

OBJECTOR HOLMAN CAPTURED

Colonel Godfrey and Governor Thomas Suc cessfully "Confer" with the Appropriations Committee-

HERALD BUREAU,
Cor. 15th and G Sts., N. W.,
Washington, D. C., May 19.

It's a clever man who can make "Objector" Holman turn from an economical proposition to one involving the expendi-ture of more money. But this is what Colonel Godfrey of the Utah commission did today, and in doing it he accomplished

CONFERENCE WITH MR. HOLMAN and four other members of the House Appropriations Committee, and as a result of continue the existence of the Utah commis sion, but to continue the yearly salary as

It was a great victory, and the Salt The House Devotes Another Day to the Lakers may well feel proud of it. The conference was arranged by Representative Henderson of Iowa who is a tife-long friend of Godfrey. The latter has been greatly exercised about the efforts which the Utah people have been making to

ABOULDSH THE COMMISSION. That is what brought him to Washington. He discovered after he arrived here that

MUCH AS THEIR SERVICES WERE WORTH.

It is difficult to say which of the two propositions give Colonel Godfrey the great symmetry, or the degradation of the yearly salary, or the degradation of having the pay fixed at \$3 a day "while actually salary to the Klamath Indian restriction of the Klamath Indian restriction of the conference report on the bill to provide for the sale of the Klamath Indian restriction.

tually employed."
There were present at the conference today, besides Mr. Holman, Mr. Dockery of Missouri, Mr. Forney of Alabama, Mr. Henderson of Jewa, and Mr. Dingley of Maine. It is the

> Sundry Civil Appropriation Bill-

Washington, May 19.—As an incompling American constitute basiness and some matters of a minor canture, the bill exempting American constitues, plioted by licensed masters or United States pilots, from obligation to pilots for services rendered, was taken up. Butler offered an amondment repealing such parts of the navigation laws as prevented the purchase by citizens of the United States of ships in forcign countries by the flood in this district will reach into the millions.

A DREADFUL STATE OF AFFAIRS.

Chicago, alay 19.—Advices to the Associated Press from many points west show a dreamful state of sfairs in the deoded as dreamful state of sfairs in the deoded as dreamful state of sfairs in the deoded or minimal and the streams are all at flood.

The streams are all at flood the streams WASHINGTON, May 19 .- After the rou-Mr. Holman proposed to reduce the pay of United States pilots, from obligation to the commissioners if he found it impossible to abolish the board. It was Mr. Holman's Butter offered an amendment repealing intention to give them a per diem compensation for every day they were employed in Utah, and nothing more. It was his desire to fix the compensation at \$3 a day, which he had no hesitancy in saying was as

they certainly would not have had the temerity to appear. But they didn't know, and they went at their subject in a breezy, tusinessilke fashion which captivated every member of the congressional aggregation. The conference was brief and informal, and neither of the two visitors made any attempt at a set speech. They both extelled the high character of the Utah commission, which they claimed to be a non-partisan body of gentlemen working together in s.

PUBBLY JUDICIAL CAPACHY.

It was argued that nearly every member of the commission from 128 inception had been lawyers, and that in accepting the places on the board they had practically lost their practice at home. Colonel God frey claimed that the commission spent on an average about six months of each year attending to the duties of their office, and that to reduce them to a per diem compensation would be, under the circumstance; that its work was not yet finished, but that it would be, and that the territory would soon be ready to receive statehood, and that when Congress shall take this action there will be no longer a mecanically in the commission.

The amendment from the commission from agreed the appropriation for \$200,000 for deep water harbor at San Pedero, Cal., increasing appropriation for \$30,000 to \$50,000; for \$350,000; for \$350,000;

mouth of the Willamette and Vaccouver: \$16,000 for the Willametre and harbor, and \$10,000 for the survey of the upper Columbia river. Frye, in charge of the bill, moved to rethrough whose influence it was called into being, and it ought not now to be

LEGISLATED OUT OF EXISTENCE

at the closing hours of its long and useful career, when still much important work remains to be done by it. The two gentlemen also referred to the resolution recently passed by the territorial legislature to allow the Woman's Christian home at Salt Lake to be converted into a deaf and dumb asylum for a per od of five years and then report to the territory to be used as a soldiors' home.

After Messars Godfrey and Thomas had

All the committee's amendments having been disposed of the bill went over till to

HOUSE.

WASHINGTON, May 19 .- After a fruitless call of the committees the House went into lives. The reports from the country are

the amendment changed the existing law and therefore it would not be in order, unless being germane it reduced the amount covered by the bill. The chair was unable to see how the amendment was germane and it did not reduce the amounts by the bill as seignorage which might amount to \$2,000,000. He therefore sustained the point of order and ruled out the amendment.

finally the cuair said he had heard nothing to change his opinion that the amendment was not germane and therefore ruled as
